Sir:

RESPONSE

This response is in reply to the Notification of Non-Compliant Appeal Brief mailed November 5, 2009. A replacement brief (without the originally accompanying documents) has been filed herewith.

Because a timely request for an extension of time (and the required fee) was previously filed in connection with the brief, no additional extension of time fees are believed to be due.

Although no additional fees are believed to be required, the Commissioner is hereby authorized to charge any additional fees associated with this communication, or credit any overpayment to Deposit Account 50-1465.

Date: December 7, 2009

Respectfully Submitted,

/Matthew A. Pequignot 43851/
